YORK PAVERS

Authentic look of a time worn flagstone paver. Smooth, finely finished texture to create a weathered, established look. Choice of sizes enables a traditional or modern bond pattern. A tapered edge paver which gives you the option of butting up and still allowing a good grouting gap or slightly spacing the pavers and showing a more Mediterranean finish. Note: the depth of grouting can accentuate the tooled edge look.

	Units per M2

CHATEAUX PAVERS

Natural distressed look replicates the patina of French Limestone of the Normandy Region.

Very distinctive - ideal for all interior and exterior applications when laid on a solid concrete base.

600 x 600 x 25	2.8/m2	\$30.68 + gst
600 x 450 x 25	3.7/m2	\$25.35 + gst
